Our Story

LIFE AT ARNOLD HIGH SCHOOL

THE most important part of our life at Arnold High School is in the classroom, preparing the students for their future life. This year our school system has been benefited by a new addition to the school building.

New class rooms and a wonderful gymnasium have made things possible that were only dreams before. An activity period has added a new something to our school life that had been missing in the past years.

Our athletic showing this year was one of the best in many years. An inexperienced football squad made a very good showing in B competition. Our basketball squad went into the WPIAL elimination.

Life at Arnold High School can be very beneficial to each one of us if we work and cooperate with our teachers to make it so.

*Hi:
Be one of my friends
Good luck in your future
Have fun in your future
year. again friends.

FOREWORD

We, the members of the Arlion Staff, present to you, the student body, this yearbook as a lasting record of our school days. A variety of occupations lay ahead for us, but we all want to remember our school days. Some of you will go to college, some will join the service of our country, some will get married, and the rest will enter many other fields of work. To those of you who have years left in school, enjoy them and make the most of them. To the seniors we want to say, "Good luck in the future." We hope you will enjoy this book now, as well as in the years to come.

What does the future hold for our seniors?

The School Board is a group composed of men all of whom are interested in the welfare and progress of the students of Arnold High School. They clearly realize the importance of an adequate educational system in our community. Theirs is the problem of settling many of the questions that arise in the operations of a school system.

With the addition to the new Orchard Avenue building their job is even larger and more difficult than in previous years. Along with the pleasures that the new addition affords us it also brings to the administration many new problems.

The Board guides the students with patience, wisdom, and judgment that can only come from hours of careful consideration. They are doing an important job in shaping the future of the students enrolled in Arnold High School.

The Board of Education is always behind the students in their every movement. The Board members are staunch supporters of all student activities. The entire school body is indebted to this group of interested Arnold citizens. Their one aim is to provide the students with the education necessary to mold them into the future leaders of our country.

CLASS OF 1953:

You as citizens of the United States have inherited an incredible fortune in the form of a free country for which you must pay the price of eternal vigilance. Yours is the challenge to preserve for future generations and to relinquish eventually to them this nation still bearing its emblem of freedom.

May the scribe who pens your story write of the members of your class that they have lived well, not only true to the principles of right and justice, but also faithful to their country and their fellow men.

Always for posterity this world presents a challenge.

Your commencement in 1953 means the real beginning of your chance in the world. Some young people express the pessimistic opinion that "we are out of luck. We have nothing to look forward to but the war that is not a war. We can't practice our vocations, begin our careers or make plans for the future. It looks as though we are the unfortunate generation." Quite a large number of people seem to agree with this thought.

In the Book of Hebrews are the words, "By faith Abraham went out, not knowing whither he went." He could not see the future anymore than we can. Life was uncertain and insecure for him, too. Two and a half centuries ago a handful of colonists on the New England coast managed to dig out a living from a grudging, rocky soil. A man who reached the age of forty-

five was old. A woman who lived to forty was considered lucky and if half her children did not die before the age of four, the mother was fortunate. In contrast to the conditions of living during Abraham's time, or even during the early history of our own thirteen colonies, our lives—even with the cold war in Korea, is pretty good.

Take hope in the fact that we are better off today than persons in those times. Be patient—do not plan pessimistically for evil days but have faith that your generation will also have its share of the "good life." In the past, Faith has taught men to live by intangible things. Misty words like honor, love, loyalty, trust and hope give glory and dignity to human existence. Those words can be shining beacons for you in 1953—set your compasses by them that your life may be full and abundant.,

Class of 1953

It has arrived at last; our final year. Twelve years ago we started our journey through school as timid first graders; however, it wasn't until we were freshmen that we elected our first class officers and selected class advisers. That was the year during which, as part of our first money-making efforts, we held the "Gypsies' Jamboree" and sponsored magazine sales. The next year found us sophomores, now officially members of Senior High School, with our dance, "Western Roundup" continuing our reputation for unusual themes. The next year, our junior year, was our big year; this was prom year. Having a prom means raising money. To make money we sold hot dogs and coffee at the football games while the girls and a few boys were never seen without a box of candy to sell. In addition to this, proceeds from our dance, "The Clod-Hopper Jump" and our first approach to the arts, "Knee Deep in Trouble," increased our ever-growing treasury. A bake sale added more funds and despite all our hardships we took in enough to hold our prom at the lovely Webster Hall, where we danced to the music of Buddy Lee.

This year, our senior year, climaxes our twelve years as a class. A second plunge into the theater, "A Stranger in the Night" proved a success while "The Mistletoe Whirl," our last dance, came at the start of the gay holiday season. The Senior Banquet held in March, our last activity as a class before Commencement, took place at Serventi's.

Behind us lie our memories of the golden days of our school life, bright with laughter and filled with pleasant activities. Ahead of us await Baccalaureate and Commencement; and then, our future. May our future be as happy as our past.

With the plans of the annual Junior-Senior Prom most prominent in their minds, the Juniors started early in the year to raise money. Trudging through the stands, this hard working class sold candy and refreshments to hungry football fans. Throughout the year, candy was being sold between classes. Their ninth grade magazine campaign started their treasury growing. Their first class dance, "The Moonlight Serenade," proved very successful as their ninth grade activity.

"April Showers," their Sophomore Class dance was next in the line of activities. A King and Queen were selected at the colorful "Coronation Ball," the first Junior Class dance to be held in our new gym. Last in their efforts for the coming Prom was the humorous class play, "Our Miss Brooks," which was successfully dramatized by the cast. The many hours of practicing for this play were not wasted for the play was enjoyed by everyone. As the climax to their profitable years, they were well rewarded for their earnest efforts by having the Junior-Senior Prom a huge success.

The Sophomores have striven to live up to the reputation they had for themselves in their Freshman year. Starting with a record-breaking magazine sale, this class got a good start on their savings.

A Christmas Party of the combined Sophomore Class was held in the Fourth Avenue Gym with food and dancing provided. Every member of the class worked diligently for the success of their three projects. The first was a bake sale held simultaneously in Arnold, New Kensington, and Stewart. The second project, the annual sophomore dance called "April in Paris", was

held on April tenth at the Orchard Avenue Gym. Everyone who attended commended the committee for the great success of the dance both socially and financially. The last project for this year was a novel one in Arnold. A box picnic was held at the Sokol Camp in May. The male members of the class bid for the lunch boxes packed by the girls. How else can one make money more enjoyably?

All of these projects helped to prove this class' ability for working toward their main goal, an outstanding Junior and Senior Prom.

Freshmen

The ninth year in school is the year the class is really organized. Under the guidance of their advisers and the newly elected officers, the class begins to build their treasury. The Freshmen get a little training in salesmanship when they sell magazines in the annual Magazine Campaign. The Campaign is a contest between the students and they are all rewarded at the close of the

campaign for their individual sales.

The main activity of the year is the annual Freshman Class Dance, which is held at the close of the year. The year is an exciting year for all and will never be forgotten. It portrays to the students what to look forward to in their next three years of high school.

Student Council

The student council, a governing body representing the students, meets once a week to discuss new problems concerning the student body. The chief aim of the council is directed towards the activities and interests of the student.

The success of this organization has been due greatly to the guidance of Mr. L. F. McGuire.

Four members attended the State convention which was held at Forty Fort, Pennsylvania. This was made possible by such money-making ventures as movies, dances, and the selling of pencils.

If the council continues to receive such consideration from the students and faculty, the area of student council authority is sure to expand greatly.

The Broadcaster

Our school paper, the Broadcaster, is written and produced by our journalism class who try to live up to their slogan, "Get the news." The journalism class must labor many hours overtime at the typewriters, speedoscopes, and mimeographs to meet their deadline.

The writers, the machinists, the artists, down to the distributing managers strive each day to present those items collected by the reporters in a manner that is new and different yet interesting to the student body.

Though only a minute division of the broad journalism field, the school paper is a valuable one. Those who are a part of it realize this and work to the best of their ability to make the paper outstanding.

The National Honor Society

The National Honor Society is composed of fourteen girls and boys of the senior class who were selected by teachers. The membership is based on scholarship, service, and character. They must rank scholastically in the first third of the group, but not more than fifteen per cent of any class may be elected to membership in any chapter. Gold pins, purchased by the Student Council, were presented to the students who were selected in their Junior year. The seniors will be presented with similar pins at their last Senior assembly.

Those who have attained this position are aware of the honor that has been bestowed upon them. To be a member of the N.H.S. in high school means that you are always eligible for

membership in college if you wish to pursue your scholastic career further.

This organization is not just a club in the ordinary sense of the word, but it is the foundation of American youth. We must not forget that the students of today will be the leaders of tomorrow. To lead one's country, state, city, or children wisely is the job that many of these students will find themselves faced with in the years to come. Their teachers strongly believe these fourteen boys and girls to be the ones most capable of doing this job efficiently.

The four requirements of the N. H. S., scholarship, service, leadership, and character present a challenge to the youth of today. Can we face and overcome that challenge?

To Amy,
I wish you all
the luck and happiness
in the future years to come.

Chorus*

For the first time in several years this song-minded group of boys and girls from tenth through twelfth grade have a period during the school day. They practice Monday, Tuesday, Wednesday, and Thursday from 11:02 to 11:47.

The choir's big goal is to give sweaters to their graduating members. Toward this end the group works all year. The choir's annual bake-sale, as always, was a great success. Their Christmas dance, the "Holly Hop," was enjoyed by every one who attended.

The A Cappella Christmas program was enjoyed by both the Jr. and Sr. High School as well as the Parent-Teachers Association. The Spring Concert was praised by all who heard it.

All of these events went toward the making of a successful year for the choir under the capable direction of the new choir director Miss Dorothy Ferrante.

From room 100 every Monday, Tuesday, and Wednesday, come the melodic tones of the Junior High Choir. Under the direction of Miss Dorothy Ferrante, the new music teacher and choir director, this All Girls Chorus has been practicing for their various musical programs. Continually they strove to make their music a compliment to them.

Early in the season this ambitious group of girls elected their officers, which are:

PRESIDENT	BARBARA HOLSTE
VICE-PRESIDENT	DOLORES LUDWICZAK
SECRETARY	PATRICIA KOSKY
TREASURER	VALJEAN SABOW
LIBRARIANS	PATRICIA PALLONE
	ROSE MARIE PUGLIESE

Among the selections chosen by the choir for their annual spring concert were "St. Louis Blues," "Follow Me Down to Carlow," "The Three Bells," and Malotte's well known, "The Lord's Prayer." All people who attended agreed that the concert was a great success.

A busy organization at Arnold High School is the band. The band members devote much of their time to the improvement of their marching and playing.

One of the most commendable football routines this year was the "Birth of the Blues" which described how some of the well-known blues songs were composed.

The Dispatch Band Festival in which local bands participated provided stiff competition for our band. Still the Arnold Band maintained its top rating.

After the band has given its performances at both football and basketball games, more time is spent in preparation for concert season during which the band presents concerts for the students and public of Arnold.

The band's main activities include, playing at pep meetings, earning money to purchase sweaters for graduating members, and playing for commencement exercises. Arnold is proud of its band!

The Prom . . .

A moment to relax

A NIGHT TO REMEMBER . . .

The Junior-Senior Prom held by the Junior Class in the beautiful Hotel Webster Hall, was a night which will be long remembered by those who attended.

Before the four buses, which carried the gay couples to the ballroom, left the Victoria Avenue building, cars, with boys resplendent in dinner jackets and girls in flowing gowns, were seen as early as six o'clock.

Dance programs, which contained records of dances, the class officers, the committees, and others who contributed to making the prom a success, were given to the couples on the buses.

Even a slight rain couldn't dampen our spirits as we arrived at the Hotel Webster Hall anticipating our big night. The elegance of the place and the dreamy music of Buddy Lee's

orchestra, along with the delicious food made the night all the more magic.

Thus, in an incredibly short time, the Junior-Class President, presented Mr. Alex Tannas and Mrs. Stella Papas, the Junior Class Advisers, with luggage and a clock radio respectively.

The Junior Class President, Joseph Daylida, and his partner, Mary Ellen Sharick, led the Grand March before the last dance. At this time favors were distributed; a panda for the girls and a bronze horse for the boys.

Thus, in an incredibly short time, the Junior-Senior Prom of 1952 became just a memory. A magic night filled with joy and laughter, will long be remembered by both the Juniors and the Seniors.

A fumble?

Arnold—6

Derry Twp.—13

In their initial encounter the Tannasmen bowed to a determined Derry Twp. team. The game's top honors went to Ron Stuart, Arnold's stellar quarterback, and Don Stopko, our star end, who clicked with pass completions for considerable gains.

Arnold—13

West Deer—0

The Lions traveled to West Deer for their first league game. At the expense of the West Deer Braves the Tannasmen chalked up their first victory of the current campaign. Stopko continued his fine scoring, tallying all 13 points.

Arnold—14

Rankin—0

In racking up their second straight league victory the Lions proved they were a team not to be taken lightly. In the second quarter Arnold's seasoned Halfback, Joe Daylida, circled right end for the score. A fourth quarter touchdown by Stopko insured the victory.

Arnold—19

Tarantum—6

In the fourth game of the year, Tarantum played host to the Arnold Lions and came out on the short end of a 19-6 score. Taking advantage of an early lead the Tannasmen's stout defense staved off some late Redcat surges.

Arnold—27

Elizabeth—39

Next the Orange and Blue played host to the favored Elizabeth squad. Giving it all they had, the Lions tried desperately to overcome the early lead racked up by the speedy Elizabeth backs. A late Lion surge fell short and Arnold was knocked from class B competition.

Arnold—19

Springdale—13

In their sixth encounter the Tannasmen outlasted the Power City Eleven. Scores were posted by Stuart, Wagner, and Stopko. Wagner's jaunt around right end being the deciding factor. This was Arnold's fourth victory.

Arnold—18

Apollo—19

In a grueling contest which was hard fought all the way, the Arnold Lions came out on the short end of a close 19-18 count. Displaying fine form, the Tannasmen worked as a perfect grid machine; but the Apollo Gods booted one extra point through the uprights giving them their slim victory.

Arnold—14

Ford City—33

After the Apollo setback, Arnold played host to a determined and keyed-up Ford City team. The Glassers' offense clicked for 26 points in the first half, but a stubborn defense held them to only 7 points in the second half. Daylida and Stopko tallied for Arnold.

Arnold—18

Bessemer—0

Taking advantage of the muddy turf, the Tannasmen completely outplayed Bessemer. A determined defense held the larger Bessemer team scoreless to chalk up their fifth win of the '52 campaign. Corey and Daylida accounted for the Arnold Lions' 18 points.

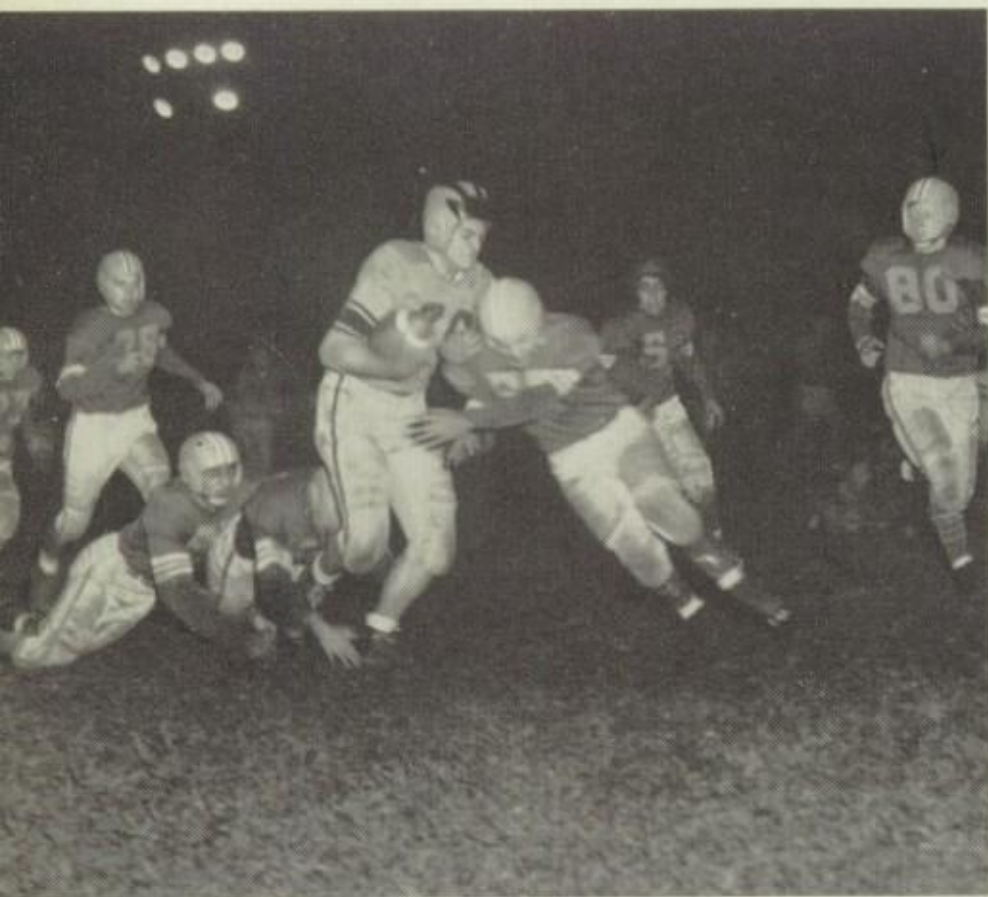

Arnold—6

Leechburg—37

In the season finale Arnold played host to the hard-hitting Blue Devils from Leechburg. The Blue Devil surges were too much for the Arnold squad, who fought back till the final gun. Arnold's lone tally came in the final quarter with Ron Stuart throwing a spot pass to wingman Ron Caporali.

The 1952-53 Lions basketball squad under the experienced coaching of Mr. Larry McGuire and Mr. Robert Terlinski continued putting out a large number of wins. With a season record of 15 wins and 6 losses, the McGuiremen proved that they deserved watching whether they were class A or B.

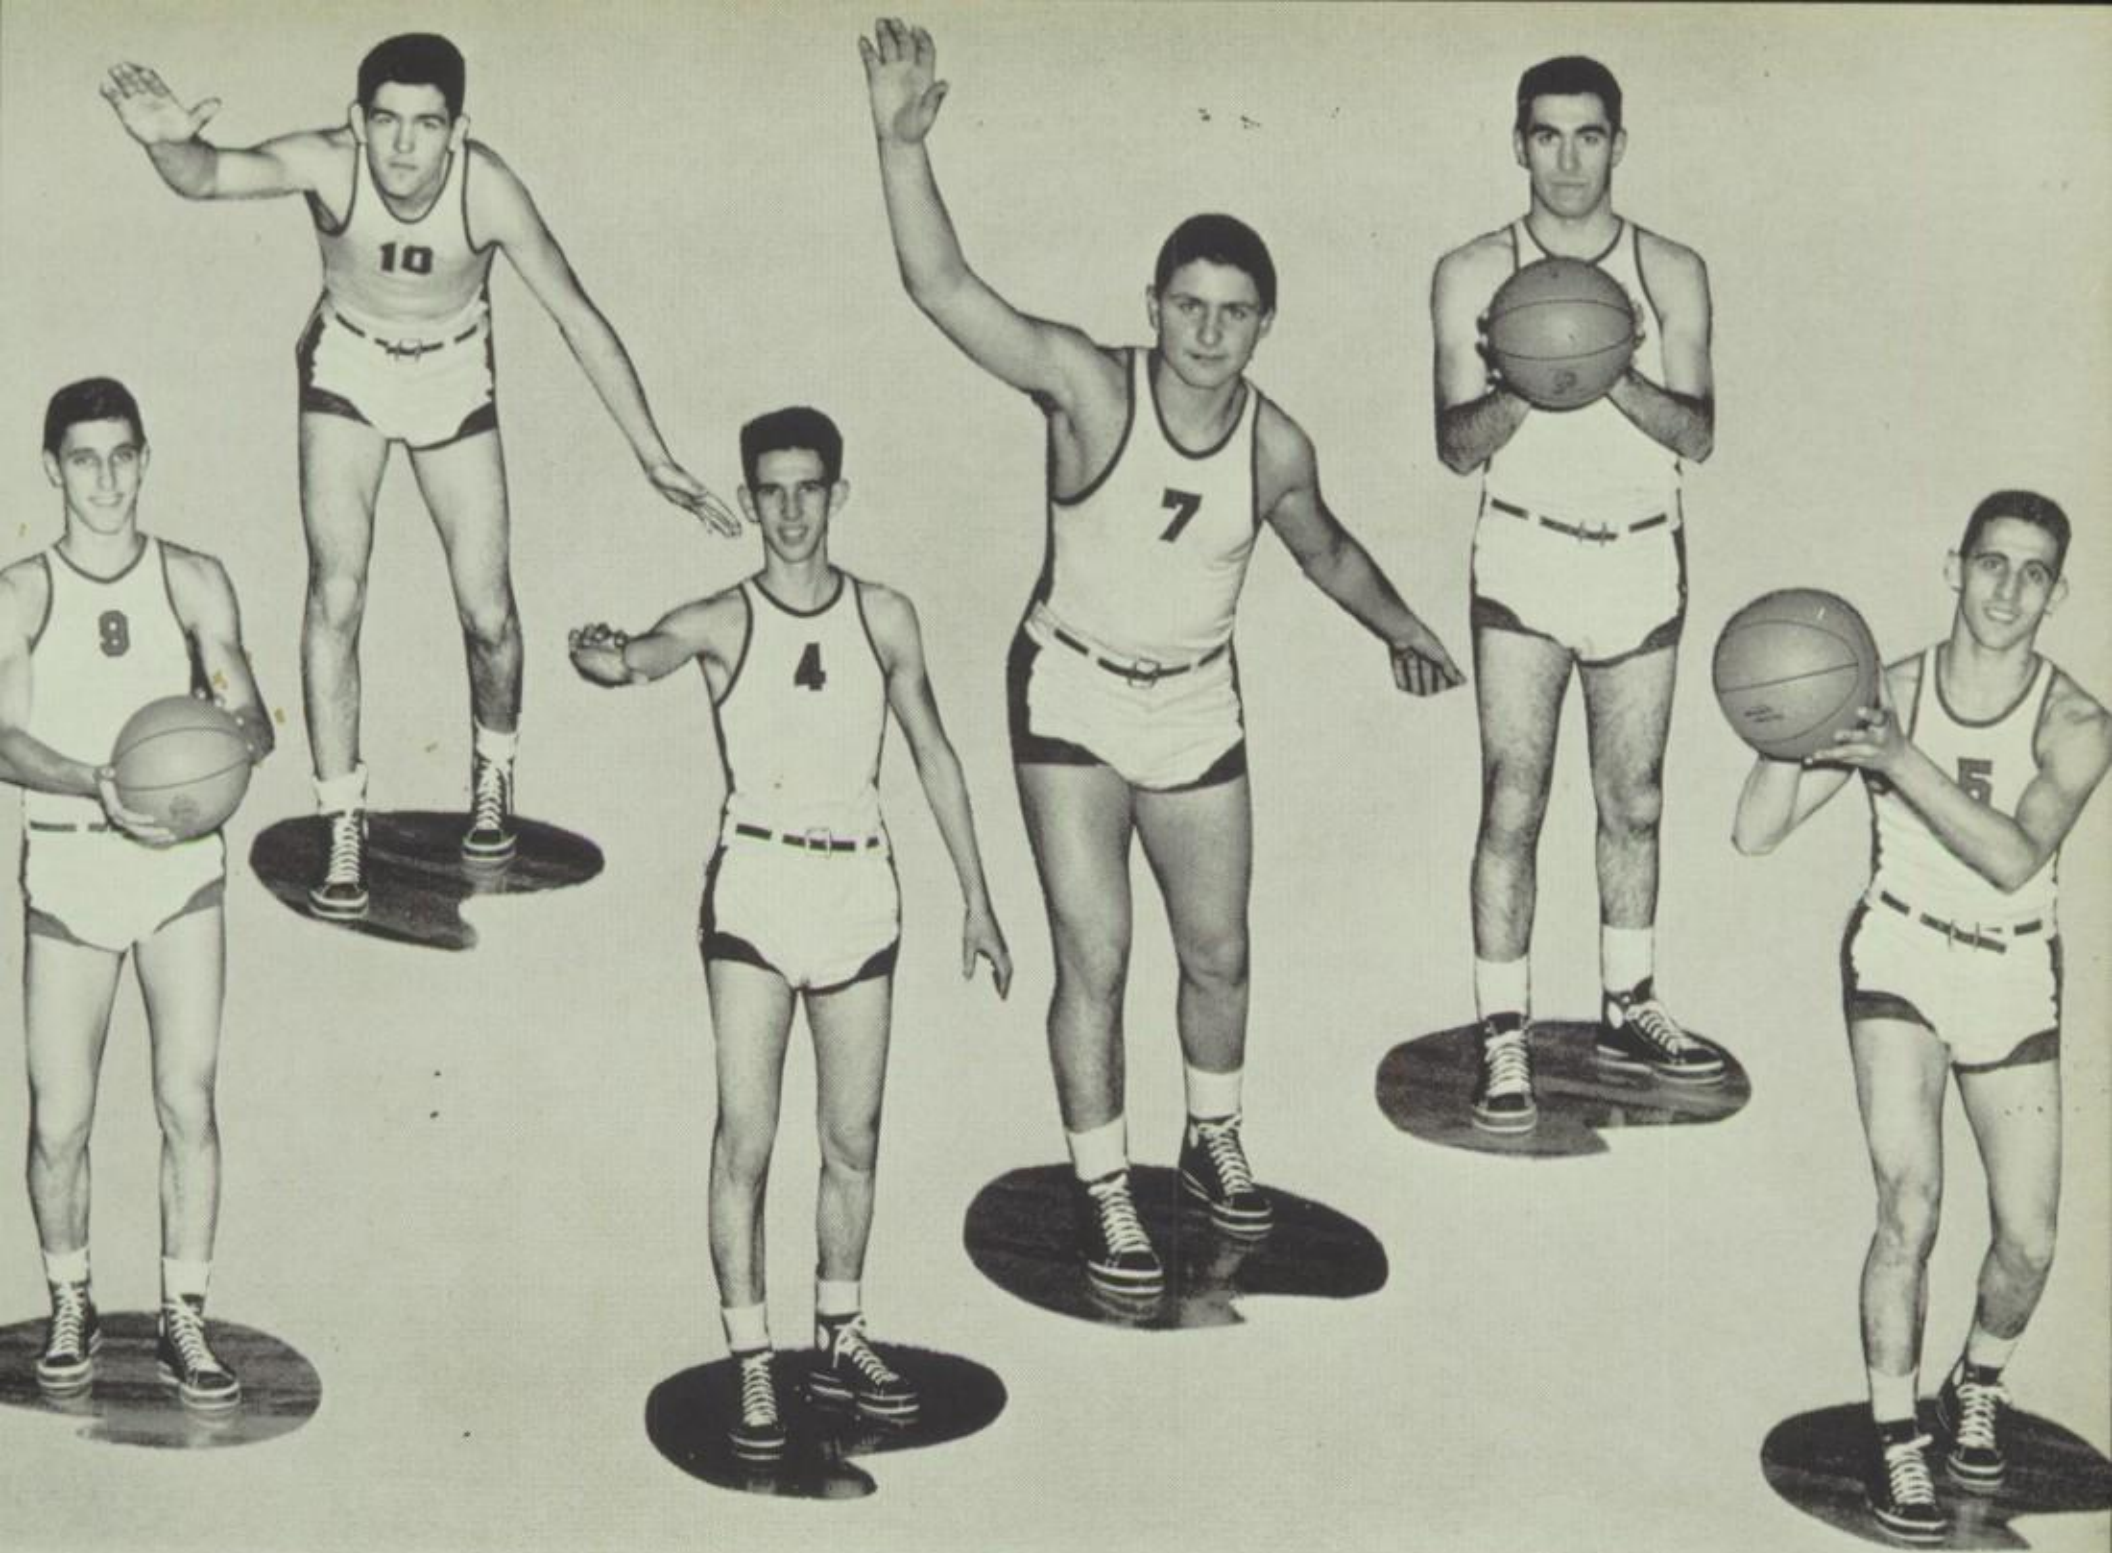

Starting the exhibition campaign with impressive wins over class A schools, the Lions continued showing themselves as a perfect cage machine. The Lions worked their way through

6 league games without a blemish on their record before they met a keyed up West Deer team and lost by 3 points. The Lions were discouraged but bounded back very well to defeat Oakmont, Verona, and Plum Twp. Completing league play with a nine and one record, the Lions qualified to enter the class A WPIAL eliminations. The McGuiremen met Glassport and lost to the rangy Gladiator squad by only 6 points. The entire squad and coaching staff deserve congratulations for a job well done.

First row: R. Terlinski, P. Flaherty, M. Lamendola, R. Wagner, T. Saska, L. DeFelice, R. Stuart, J. Shamey.

Second row: Mr. L. F. McGuire, Head Coach, J. Knarcik, Manager, F. Moses, E. Saska, N. Cignetti, C. Kuznicki, L. Marsilio, Manager, Mr. R. M. Terlinski, Assistant Coach.

FRED "MOOSE" MOSES has been the Lions' stellar forward for the past three years. Moose, showing up very well against all opponents, should have a great college career ahead of him.

ED SASKA, the tall, lanky center of our championship team, has helped the Lions to a great extent in the past few years. Eddie always comes through in the pinch.

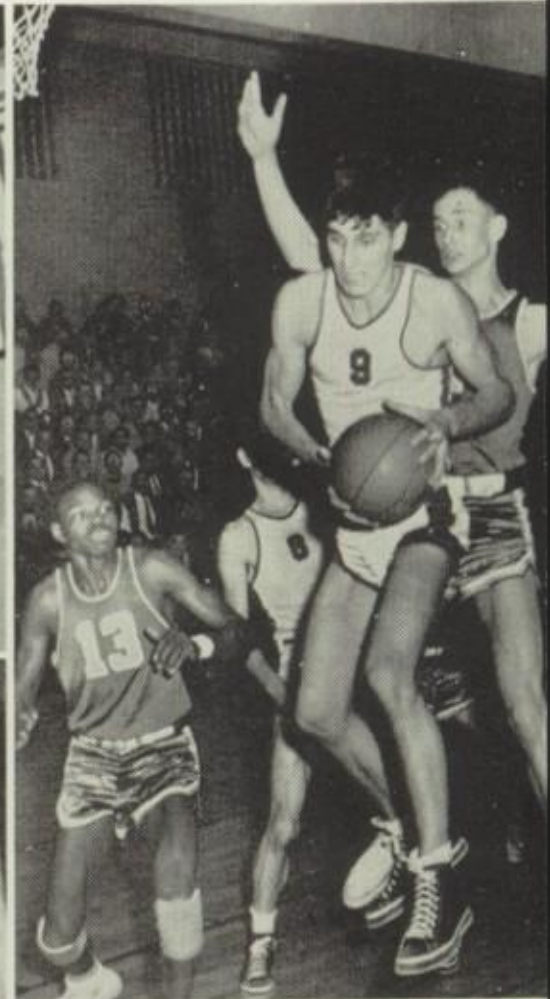

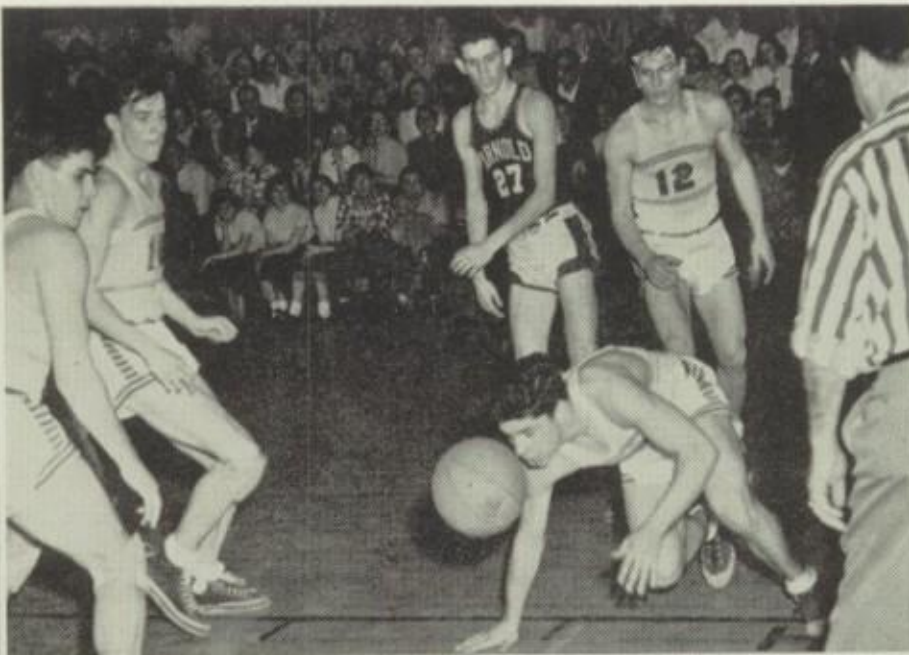

PAT "TRICH" FLAHERTY, reliable forward of the Lions, has proved his prowess as a good defensive ball player. Pat saw a considerable amount of action this year and did very well in every occasion.

LOU "JUMBO" DeFELICES, star play maker of the McGuiremen, plays a floor game equal to the best to come out of Arnold. Lou hits from out front when the points are most needed.

JIM "SHAME" SHAMEY, high-scoring forward, turned out to be Ken Hi's loss and Arnold's gain. Jim was instrumental in leading the Lions to the Section 13 title.

MIKE LAMENDOLA saw a lot of action this year and fared very well on all occasions. Mike's aggressiveness and drive were always an inspiration to the team.

The end of the 1952 baseball season found the Lions with a record of four wins and four losses. The Lions, under the skillful coaching of Mr. O. Phillips, started spring training in early April. Having lost most of last year's team by graduation, Coach Phillips selected eleven boys to make up his squad. From this eleven he formed his starting nine. The Lions won over East Deer, twice, Tarentum, and Ken High, while losing to Har-Brack, twice, Ken High and Tarentum. With seven veterans returning, the optimistic mentor is looking forward to a successful season.

Lots of luck, Coach Phillips in the coming season.

Second row: S. Nelson, F. Marsico, P. Tallarico.

The Arnold tennis team, under the excellent coaching of Mr. G. C. McLaughlin, completed the "52" season with a very fine record. Losing only to Kiski Prep, a college preparatory school, and Latrobe, the State Champions, the Lions fared very well. Arnold was placed in the section with the State Champs and couldn't overcome the host of stars on the Latrobe squad. The Lions racked up a yearly record of 6 wins and 4 losses. Look for Arnold's Racket Squad next year.

Cheerleaders . . .

YEA! TEAM!

Football, basketball, away or at home these eight enthusiastic girls are seen. They enjoy donning their bright blue skirts, white sweaters, and saddle shoes. These eight girls kept the team's spirit up and led the student body in roaring cheers this year. They always found time to send encouraging remarks to the student body in pep meetings. Bubbling with vitality, the girls kept up a never-ending voice battle for the team. This year's squad was very dependable and enthusiastic. Their zip and will-to-win gave everyone the pep to cheer loud and long.

Lorraine, Peggy, and Dolores were the three seniors. Their job was keeping order among the girls. The three juniors were Rose, Connie, and Dolores. They, along with the two sophomores, Judy and Virg, help to make the student body yell.

The Junior High Cheerleaders were made up of Patty Paulick, Joan Korowicki, Elaine Serventi, Joyce Nicastro, Diane Magnosta, Sylvia Lucerne. Let's hope that they will keep up the good work they are now doing. To follow into the seniors' footsteps are the desires of these six peppy girls.

THE ARNOLD LION'S

CODE OF ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow man, to resolve such doubt against myself.

To hold friendship as an end and not a means—To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give to them my unswerving loyalty in work, act, and deed. To give them freely of my time, labor, and means.

To aid my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticisms and liberal with my praise, to build up and not destroy.

To a swell girl I met not too long ago.
Wish lots of luck with Angie and
loads of Happiness.
Don.

To a Former Phoney,
Dear member of the N. P. T. U.
(National Git-takers Union) I
hope we will always be very
good friends and that our graduation
will find us still the best of
buddy-pals. This book and
autographs will last a long
lifetime, but our friendship
will be strong and these pages
won't fade and turn yellow. Love
Don.
P.S. I solemnly promise never
to call you a Phoney.
